Alberta:

Calgary Car Share- <http://www.calgarycarshare.ca/>

WHO CAN JOIN?

First the basics: you have to be 21 years of age or older, have been driving for at least three (3) years, have a valid Class 5 (or better) Alberta driver's license, and have a clean driving record. A clean driving record means:

- No more than two (2) minor traffic violations
- No at-fault accidents within the three years prior to application
- No major convictions (e.g. driving more than 40kph over the speed limit)
- No criminal convictions (e.g. dangerous or impaired driving)
- If you're 21-25, a clean driving record also means:
 - You've been driving at least three (3) years
 - You have no more than 6 demerit points
 - You have no convictions for driving more than 30kph over the speed limit
 - You have had no at-fault accidents within the past five years

You will need to provide Calgary Carshare with a copy of your driving record (abstract) as part of your application. In Alberta you must go in person to a registry agency and the cost is about \$20. If you were licensed in another province in the past five years, you'll need to provide us with an abstract from that location.

Victoria Car Share Co-op- <http://victoriacarshare.ca/drupal-6.2/>

How do I join the Victoria Car Share Co-op?

Decide which **membership** option is right for you, then follow our procedures below.

- **To qualify**, you must be at least 19 years old with a full-privilege driver's license that is **valid in BC** (Canadian provinces, U.S. States, and most foreign countries are valid).
- **E-mail your contact information** (phone number, residential address, e-mail) to manager@victoriacarshare.ca

- **Send us a driver's abstract.** We require at least 3 years of driving records. Call ICBC at 250-978-8300 (their toll free number is 1-800-950-1498) and ask them to email it to manager@victoriacarshare.ca **(It's free!)**
- **Applicants with a driver's license from outside of BC (or if your BC license does not go back 3 years)** should request a driver's abstract from the Ministry or agency that issued your license. In this case you must also submit a 3-year auto insurance history "letter of experience." This can be obtained from your insurer and emailed directly to manager@victoriacarshare.ca
- **When we review your driving history**, management may use their discretion to deny membership based on your vehicle insurance claim history or drivers abstract. A complete list of criteria we look at can be seen in section 2.3 of our [policies](#).
- **After we approve your abstract** we will schedule you into a 45-minute orientation. We'll walk you through the process and answer all of your questions. We schedule two orientations per week, in group format, at our office at #311 - 895 Fort Street. Please read our [policies](#) and [rules](#) before the orientation.
- **You may be entitled to a free membership** if you belong to one of our partner groups listed on our [membership](#) page. Otherwise, at the orientation you will need to purchase member shares if you plan on becoming a Shareholding member, or pay your fees and provide credit card authorization for automatic payments if you plan on becoming a Provisional member.

We will process your application as soon as possible and get you rolling. Depending on how long the abstract takes to reach us and your availability for an orientation, the process may take one to a few weeks from first communication to booking a vehicle. We only keep abstracts for a month during the application process so once you have sent yours in, contact us ASAP to get things moving.

Saskatoon:

Saskatoon Car Sharing - <http://www.saskatooncarshare.com/how-it-works/>

What's CarSharing?

CarSharing is just that – sharing cars. SCC members share the cost and access of cars with members of their community.

It's ideal for those who drive *sometimes*. You may walk, bike, or bus to school or work but need a car for occasional trips. If you're picking up groceries and need a car, simply reserve one using our online booking system.

How it Works:

SCC members have 24-hour access to our vehicles and only pay for what they use.

Our first cars will be parked in their designated spots in Saskatoon's Nutana neighbourhood. Vehicles will be conveniently located so that members who live outside Nutana can easily access them by bike or transit.

As SCC grows, more cars will be available in more neighbourhoods with locations determined by our membership.

Once you have [your SCC membership](#) and unique key fob you'll be ready to roll.
